

EC FACTORY PRODUCTION CONTROL CERTIFICATE

In accordance with the requirements of the
Construction Products Directive 89/106/EEC, as amended by
93/68/EEC.

This is to certify that the Management System of:

EEW Special Pipe Constructions GmbH
Ost - West - Strasse 12
18147 Rostock
Germany

has been assessed against the requirements of Attestation System 2+, allowed for in the
Construction Products Directive 89/106/EEC, as amended by 93/68/EEC, for Factory
Production Control and conforms to the requirements for the product standards shown
below:

**EN 10219-1:2006 - Cold formed welded structural hollow sections of
non - alloy and fine grain steels - Part 1: Technical delivery
conditions.**

This certificate is only valid when accompanied by a current schedule with the same
number detailing the locations, product standards and (*where applicable*) EC Initial Type
Testing Certificates corresponding to this approval.

Approval is subject to the continued surveillance of the management system in
accordance with the requirements of the above Directive. Unauthorised changes to the
management system will render this approval invalid.

Authorisation is hereby given to use the LRV Notified Body Identification Number in
accordance with the requirements of the specified Directive in relation to the products
as identified above
