**Uncontrolled, if printed**

If any person suffers loss or damage which is proved to have been caused by any negligent act or omission of Det Norske Veritas, then Det Norske Veritas shall pay compensation to such person for his proved direct loss or damage. However, the compensation shall not exceed an amount equal to ten times the fee charged for the service in question, provided that the maximum compensation shall never exceed USD 2 million. In this provision "Det Norske Veritas" shall mean the Foundation Det Norske Veritas as well as all its subsidiaries, directors, officers, employees, agents and any other acting on behalf of Det Norske Veritas.

### **Conditions for Recognition:**

The Society is to be informed about any change of plant, procedures, control routines, responsibilities and if the quality system certificate has expired or is cancelled.

For each specific project / delivery, a kick-off meeting (pre-production meeting) has to be held and an inspection and a quality surveillance plan (test and inspection plan) needs to be established and agreed with DNV.

### **Basis for Recognition:**

This recognition is based on DNV MPQA Audit performed on 2008-12-15/16 at EEW SPC, Rostock Report no. MPQA-ESN-08-8107.

### **Recognition Retention Survey:**

This recognition will be valid for four years and can be renewed based on a renewal survey report issued by DNV after successful renewal audit. For this purpose the surveyor shall be given access to the manufacturer and relevant documents and records.
